

Mission Together

Newsletter: Home-schooling Resources

Dear friend, we hope that you and your loved ones are coping well in these extraordinary times of self-isolation and physical distancing. For many of us, life is busier and more challenging as we try to find ways of supporting one another, our families, and the communities we serve.

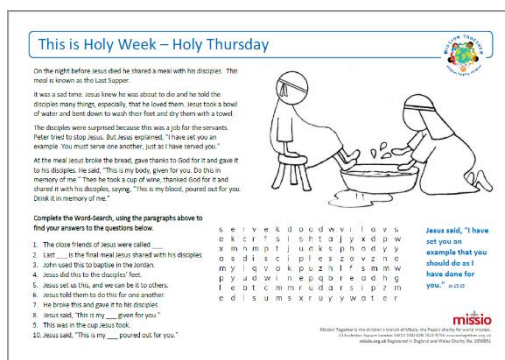

To support you, *Mission Together* have produced multiple resources to use in home-schooling, or for staff caring for children in school. They've been designed to help pupils learn, reflect, and stand in solidarity with children around the world already living in hardship.

These resources can be found at missiontogether.org.uk/school-closures-home-activities/

Download our activity sheets which include simple tasks, quizzes, questions, prayers and adapted scriptures. Each resource focuses on a mission project and curriculum subject, whilst also encouraging children to remember that we are all part of God's family.

Please note, we'll be adding to these resources in the weeks ahead, so please continue to check our website and follow us on twitter @MissioUK

This Holy Week and Easter, we've put together engaging and fun activity sheets and craft ideas that help children and families journey through this most special week in the Church's calendar.

Download all our home resources here:

At Missio, we are committed to supporting our sisters and brothers around the world, through any challenges, struggles and hardships. We will continue to work as best we can during the Covid-19 pandemic. If you are able, [please visit the Missio donation page](#) to help support missionaries and faith communities in remote areas that have no access to healthcare and sanitation. Join us in praying for these communities and all who are suffering through loss, loneliness and uncertainty.

Mission Together is the children's branch of Missio, the Pope's charity for world mission.
