CCRS CO-ORDINATOR : CCRS@RCDOW.ORG.UK

CCRS is a nationally accredited course in Catholic theology that supports and enhances the teaching of Religious Education in schools and parishes. It is valuable for all teachers and catechists and is recommended for any teacher applying for senior leadership positions in Catholic education within the diocese. We also offer this course for those who may simply wish to deepen their knowledge of their faith.

Content

The course consists of six core modules and two professional modules. The core modules explore the Scriptures (Old and New Testament), the person of Jesus Christ, the Church and its sacramental life and moral understanding. They are designed to build together into a basic understanding of Catholic theology. Its application within a school, parish or ministry setting is explored further through the two professional modules. All modules are taught by a variety of experienced tutors and the assessment for each module is via presentation or essay.

Cost

The cost of the course is £400 per person. This covers all eight modules and registration fee with the Board of Religious Studies. This is to be paid before commencing the course and is non-refundable. Your school or parish may be willing to help finance this course for you.

FOUNDATION STONES

CONTACT

DIOCESAN ADVISOR

Foundation Stones is a twelve hour introductory course to Catholicism, structured around the four main sections of the Catechism. Participants learn about the key Catholic beliefs and practices. It is simple and straightforward and is excellent CPD for non-Catholic teachers or those who are not confident teaching RE. The course is structured to allow participants to ask questions and discuss ideas so they can gain insights into the Catholic faith. This in turn aids the teaching of RE and understanding of the Catholic Life of each school. There will be a number of new courses starting online, led by different members of the Diocese of Westminster Education Service. The online structure enables schools across the Diocese to access the course and it means a group of teachers can take part without needing to leave school.

Course Cost - The cost of Foundation Stones is £200 per staff member or £300 per school for two or more staff members. There needs to be a minimum of 3 schools and 10 participants for each course to run. This year we are also offering single session bookings of the full course. You will find all courses both long and short along with their booking links in the following pages.
