Ukraine

We are very conscious that many of you may have children and families who are from Ukraine or that have relatives or friends in Ukraine within your school communities. Children may be raising questions about the conflict and BBC Newsround have provided this link with advice for those, particularly children who may be upset by this very concerning and sad news. See [Advice if you're upset by the news - CBBC Newsround](#)

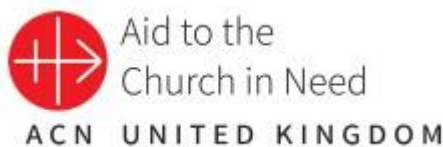

The Cardinal has issued a statement, in which he asks for prayers for Ukraine. The statement is available here: [Cardinal appeals for prayers for Ukraine](#)

The Education Team has also created a Prayer for Ukraine presentation for you to use with pupils, staff and your school communities to encourage prayers to be offered for those who have been impacted as a result of this conflict and to bring a swift resolution and lasting peace. See [HERE](#).

Pope Francis asked for Ash Wednesday to be a day of fasting and prayer for peace and for the people of Ukraine. Use CAFOD's prayer slides in assemblies and in class to help your students to hold the Ukrainian people in prayer: [Schools prayer for Ukraine | CAFOD](#)

For some prayers see: [A prayer for Ukraine | CAFOD](#)

Aid to the Church in Need has been supporting the Catholic Church in Ukraine since the 1980s. Since then they have been providing help for priests, students who are training to become priests, known as seminarians, as well as religious Sisters and those who teach the faith.

They have recognized there is a need for resources for our young people to use in school or at home, to help them to understand a little of what is going on in Ukraine, as well as leading them into prayer and to do something to fundraise if they wish. We hope the following resources help your students to understand, as well as providing an opportunity for prayer.

ACN have updated their website with support materials for schools: [Aid to the Church in Need | Prayer & Fasting for Ukraine \(Primary\) \(acnuk.org\)](#)

Please also find resources in our bulletin [here](#) from Caritas outlining how schools can respond to the crisis in Ukraine.

Thank you for your continued support for the Synodal Pathway. We hope that those of you who were able to attend the Pre-Synodal Assembly on 19th February at Westminster Cathedral found the day rewarding. We have received many positive comments.

Mental Health Update

Supporting children and young people who are worried about the conflict in Ukraine.

The conflict in Ukraine is a reminder that many children have experienced traumatic events before arriving in the UK. Some children from Ukraine and other Eastern European countries will have relatives who are experiencing conflict in their country or on their borders. Images of the Holy Family

The RJED theme for this year is 'In the Image and Likeness of God'. On the Bishops' Conference of England and Wales website, there are some beautiful images of the Holy Family which you can share with your pupils of all ages <https://www.cbcew.org.uk/rjs22>. You can then explore this theme throughout the year and we would love you to share with us any of the images your pupils have created on this theme and we may be able to share these on our website.

Diocesan Website

We are working on more documents that we hope to share with you next term on the website, including a policy, diocesan strategy and Catholicism Unpacked document. We hope that you can help to bring this page alive by sharing your success stories, any impact from courses, pupil voice or examples of work that you have done on RJED. Please send to elainearundell@rcdow.org.uk and claireoneill@rcdow.org.uk.

Leadership and Governance Update

Senior Appointments - Support

We are delighted to be kept very busy at the moment by attending interviews for new Head and Deputy Head teachers- it is so good to know that such good candidates are prepared to put themselves forward for these vital positions in our schools.

As we plan for the successful candidates to begin their new roles, we would like to make sure that they have a good support network. I'm sure we all remember that feeling when you start a new job, often in a new school or a new Local Authority; it's hard to feel in charge when you have to ask where everything is. Many new appointees will have built up good networks already, but having someone nearby who knows who it is in the LA you need to contact for the best HR advice can be invaluable.

If you would be prepared to help someone new to their position, please would you contact catherinemcmahon@rcdow.org.uk

Caritas Update

"But the wisdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere. Peacemakers who sow in peace reap a harvest of righteousness."

James 3:17-18

Refugee Response

We have all been shocked and saddened by the humanitarian crisis in Ukraine. According to the UNHCR, 1,735,068 people are seeking refuge (as of March 6th), as well as countless others having been internally displaced by the conflict that is taking place. I invite you to read CSAN's statement.

In the statement CSAN asserts that:

'the need to plan and resource a humanitarian response In England and Wales is rapidly becoming acute. We need to consider how we resource the needs of incoming refugees, as well as the poorest members of our society already facing a rising cost-of-living crisis.'

The statement outlines Home Office support for extending the Community Sponsorship scheme to welcome Ukrainians to the UK.

Detailed below is information on the scheme as well as some initial ways of responding to the needs of migrants, asylum seekers and refugees from Ukraine and beyond.

I would like to draw attention to our first Diocesan Asylum Seeker and Refugee Response Network Meeting of 2022, which takes place this Thursday. This session has a special focus on schools who want to be part of an integrated response to the needs of migrants, asylum seekers and refugees.

Please don't hesitate to be in touch if you have any questions or ideas.

God Bless,

Ukrainian Appeal

Caritas sister agencies in Ukraine and in the surrounding countries are helping people directly. CAFOD, as a member of the Disasters Emergency Committee in the UK is part of their joint appeal from which those Caritas sister agencies will benefit. They have specifically asked for financial assistance rather than donations of goods.

Volunteering Opportunities

If you would like to be informed of volunteering opportunities to support migrants, asylum seekers and refugees in the diocese, please fill out this [form](#).

Nationality and Borders Bill

On the 28th of February The House of Lords voted to lift the ban, meaning that asylum seekers would be able to work. This is significant news – but in order for this to become a reality, both the House of Commons and the House of Lords have to agree. Write to your MP to show that you support asylum seekers and refugees. The JRS and SVP have developed a range of resources to help you do just this! Click [here](#) to access them.

Primary and Secondary School's Resources

Visit our webpage [here](#) to access schools' resources, jointly produced with the SVP and JRS, to reflect with your pupils on how to welcome migrants, asylum seekers and refugees.

Sky News, highlighted the work of Newman Catholic College in Brent, for its work welcoming and educating refugee children.

Headmaster Danny Coyle said:

“What has made us relatively successful in supporting these children are the ‘Newman Values’ that are central to the school. These values endeavour to bring together disparate individuals from diverse backgrounds and strives to unite them under the umbrella of our shared humanity, whilst retaining, recognising and celebrating the beauty of their uniqueness. As we often say at assembly, if our society were run along with principles of ‘Newman values’, we would all live a better life.”

You can read Danny’s article on the diocese website, or come along to our Asylum Seeker and Refugee Response Network Meeting (see above) to hear from Anjali Saran, Newman Catholic College’s Refugee Project Co-ordinator.

Lent - a time of growth

Perhaps, you are still feeling some of the darkness of winter, but Lent is a chance to remember that from the darkness of the earth, seeds can grow. Step by step, our prayers lead us to a deeper relationship with God, and in turn, to a renewed energy to take action, to see his Kingdom unfold here on earth.

Caritas Volunteer Service

This Lent, we are extending an invitation to all Catholics – alongside prayer, fasting and donating – give of your time and energy! There are so many different ways you can use your talents as a volunteer, living your faith and gaining new skills.

And the Caritas Volunteer Service will be with you every step of the way, helping you discover a wide range of voluntary opportunities in London and Hertfordshire, connecting you with charities looking for help, and informing you of training opportunities and other useful events to support you.

Or, you can have your own personal consultation to help you explore voluntary opportunities, [click here to find out more](#), or phone 07738183833

During Lent we will be [sharing stories of volunteers](#) to inspire and encourage you. Follow us on social media to make sure you don’t miss any!

If you have your own story of volunteering please share it with us, email caritaswestminster@rcdow.org.uk

Tackling Knife Crime and County Lines

The second knife amnesty bin of the year was blessed by Bishop Nicholas Hudson on 9 February. It is located at St Mary & St Michael Roman Catholic Church in Tower Hamlets.

Bishop Hudson said: "In Lent, we think of the powerful words of the Lord spoken through the prophet Joel, "Come back to me with all your heart." A knife bin announces the same call, to have a change of heart. The knife bin standing here now on Commercial Road announces peace. "Be peacemakers, not peace-breakers," it cries out to everyone that passes it."

Bishop Hudson speaking to the Headteacher and Head boy of Bishop Challoner school

This is the fifth knife bin installed in the diocese through the partnership of Caritas Westminster and Word4Weapons.

Minet Masho, our Development Worker for the area admitted: "The knife bins are not aesthetically glorious to see" – we would rather not be putting these objects outside our churches – but they are there to encourage people to give up knives and other objects that could be used as weapons, and to act as a call for peace on our streets.

Insurance of Land and Buildings

In recent months, the Diocesan Trustees have been taking advice regarding the insurance cover for School and Academies occupying Diocesan Trust premises. Costs are escalating for all schools whether they insure via the CIS or are members of the Government's RPA.

The trustees have identified a significant financial implication for school who are members of the RPA. RPA members will be aware that the RPA will only offer £250,000.00 to protect occupied buildings and it is the responsibility of the school to secure appropriate insurance in excess of this amount to protect their buildings and business continuity.

The Trustees have been struggling to identify any insurance company that is prepared to protect the interests of the school for a reasonable premium.

To put the risk into context, you will all recall the major fire that consumed St Joseph's, Willesden. Thankfully, no one was injured, and the insurer paid for the building to be completely repaired and for the temporary buildings required to provide continuity of education. An outlay of circa £15M. If this school had been a member of the RPA at that time, the scheme would have paid £250,000.00 toward the rebuild, leaving the governing body over £14,750,000.00 to find from elsewhere. Neither the Governing Body nor the Diocese could fund the difference so the school would have been abandoned, the pupils sent to other schools and the staff made redundant.

The CIS scheme covers the potential of loss to the occupied school during any building project. If the cost of the work is over a certain level it changes an appropriate premium but, either way, the school is protected.

Members of the RPA are at liberty to secure occupiers' insurance to protect their school. If you find a company that is prepared to sell you comprehensive insurance at a competitive rate, please let us know so that we can share this with other RPA school.

It is possible to arrange for the contractor to cover your liability as part of a building contract. However, the full cost of this insurance will be passed on so the school will pay for the insurance either way.

Because of the significant risk of building loss for schools in the RPA. The Trustees are advising that every school occupying Diocesan Land and Buildings returns to the CIA scheme as soon as possible. We are in discussion with the RPA about this matter and may be able to reopen both options when the scheme protects the additional risk but, in the meantime, the CIA scheme offers all interested parties, the best level of comprehensive Capital and Business Interruption insurances.

We will explore this issue during the upcoming meetings for Heads, Chairs and SBM. If you have any urgent questions, please email Nigel Spears nigelspears@rcdow.org.uk.

Pupil Placement Planning

1st Planner Project

School specific reports are being circulated this term. Once all of the reports have been issued, there will be opportunities for clusters of schools and academies to meet with Nigel Spears and 1st Planner colleagues to review local data and consider options for the future.

Discussions with potential external partners is progressing well. Visits to certain sites will take place over the next few months. Site visits may indicate a degree of interest from external partners but should not be taken as a guarantee of investment. If partners are interested and the Diocesan Trustees are confident that the project will be self-funding, we will be actively engaging with Head teachers and Governors/Directors as appropriate.

Decarbonisation

Salix – Heat Decarbonisation Plans

Visits to Schools are progressing on schedule. Completing the reports in the allotted time is challenging and your assistance is greatly appreciated. We are in regular communication with Salix as part of their monitoring and assurance process.

Colleagues from Zeco will continue to engage with the shortlisted schools and provide support where necessary. If you need any further information about this initiative, please email nigelspears@rcdow.org.uk.

This project is due for submission at the end of this month.

Other Approved Initiatives

Condition Data Collection (CDC)

The Government has commenced the latest round of its Condition Data Collection process. It is a quinquennial programme and this round builds on the two that preceded it. Schools will be contacted by surveyors appointed by the Government. This process is monitored by the Education Service, but we do not normally attend any of the engagement sessions. The surveyors are expected to contact you in advance of any proposed site visit. Please contact nigelspears@rcdow.org.uk if you have any questions about this process. If we receive advanced notification of a block of visits, we will publish that list in the bulletin.

Insurance Validation

The Catholic Insurance Service and Zurich have commissioned an audit and appraisal of schools insured via the CIS. The Diocesan Trustees are paying for this initiative and targeted schools will be approached by a company called Charterfields. If your school is targeted during this initiative, please supply Charterfields with the data and access they required.
