A colorful drawing of a scene. At the top, a blue sky with horizontal brushstrokes contains a yellow figure with a white face and a yellow cone on its head, appearing to be on the yellow tent. The tent is a large yellow triangle with black wavy lines inside. Below the tent, a figure in an orange robe with a white face and a black beard stands on the left, gesturing with its hands. In the center, a small yellow table holds a yellow star-like object. To the right, a figure in a blue robe with a white face and a black hat stands. At the bottom, a green area contains two white shapes, one of which is a small white figure. The entire drawing is enclosed in a black border.
