

# Keep Staff

## Information for Staff

Teachers who have finished their ECT years now have the opportunity to consolidate their practice.

Others may be keen to progress and to further their understanding of Catholic education.

As well as the [CPD](#) courses we offer and the [Foundation of Faith](#) course, we also offer the [Catholic Certificate of Religious studies](#).

CCRS is a nationally accredited course in Catholic theology that supports and enhances the teaching of Religious Education in schools and parishes. It is valuable for all teachers and catechists and is recommended for any teacher applying for senior management positions in Catholic education within the Diocese. We also offer this course for those who may simply wish to deepen their knowledge of their faith.

The course is offered in a variety of delivery methods and in different places around the diocese, so there should be the perfect way for you to access this training.

These courses are also ideal for those staff joining from non-Catholic Schools.

For staff who have taken career breaks, there is information on this [page](#) about flexible working ideas and resources.
